Foreword

This is our story. Four years of growing pains. Just turn the page — a familiar face; a phrase almost forgotten. For some of us, here are a few memories, a little reminder of happy eventful days gone by. To the Staff and to our Advisors, our deepest gratitude.

"I think that nothing is of more importance for the public weal, than to form and train up youth in wisdom and virtue. Wise and good men are, in my opinion, the strength of a state far more so than riches or arms."

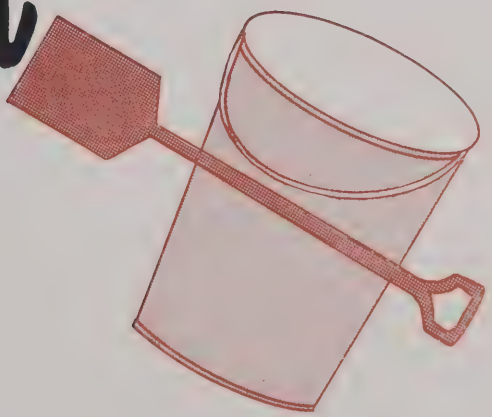
School Electives



Key Club

The Key Club of New Bedford Vocational High School has risen from the obscurity of infancy, to the position which it has dominated for the past two years, that of being the "Most Outstanding Key Club in the New England District of Key Clubbing." This year it also has the honor of being the first Key Club in greater New Bedford to receive an award from Key Club International.

The Key Club is a service organization within the school and is run on the same principles as its sponsoring Kiwanis Club.

To the officers — President Yuen Soo Hoo, Vice-president Eugene Pacheco, Secretary Norman Rivard, and Treasurer Raymond Frenette; to the members and their advisors; Mr. Wallace Pittendreigh from the Kiwanis Club and Mr. Joseph Barbero, Jr., faculty advisor, congratulations on a job well done and continued success in the future!

Public Speaking

The Public Speaking Course met on Monday afternoons for students who wished to improve their speech and enunciation. Mr. William Norton was the advisor and gave a few lectures on speaking clearly and distinctly. Speeches were to be prepared on any subject about which the speaker wished to speak. The speaker was to talk for five minutes without aid, after which constructive criticism was to follow by the other course members.

The Traffic Squad

During the course of our years at Vocational, the girl's Traffic Squad has been a reliable, hard-working unit.

Under the careful supervision of Miss Margaret M. Goggin, the "Traffic Officers" have kept order in the corridors and stairways of the Household Arts Department.

This year's officers were Marie Nunes, Chief; Janice Cardoza, Secretary; Alice Besse, Treasurer; Barbara Sherbino, First Floor Leader; Janet Fontes, Second Floor Leader; and Diane Despres, Basement Floor Leader.

One of the most successful activities of the Squad this year was a collection conducted for CARE, through which packages were sent to Greece, Italy, and Pakistan.

SLIDE RULE CLUB

The Slide Rule Club was organized last year and is under the direction of Mr. Joseph Barbero, Jr. The meetings are held on the students own time and membership is open to the entire student body.

Besides learning how to use the slide rule and further develop their knowledge of mathematics, the members of the club practice extensively to achieve rapid calculation.

THE FUTURE NURSES CLUB

The Future Nurses Club was organized during our Junior year, 1958-1959, through the combined e.orts of Mrs. Mary E. Wobecky, R.N., and Mrs. Doris L. Wilson, guidance director.

The elected officers of the club were Barbara Sherbino, President; Jane-Ann Tripp, Vice-president; Cynthia Castaldo, Secretary; and Constance Chevalier, Treasurer.

The Future Nurses Club is composed of Junior and Senior girls, who are contemplating entering the nursing profession.

The program this year has been varied with a field trip to Lemuel Shattuck Hospital in Boston, Mass.; guest speakers; and a joint meeting of area Future Nurses Clubs. Last year the first area meeting of this type was held at NBHS; this year VHS was host to the group.

Mrs. Irwin A. Jaslow, who is working an an advisor to the club, is a representative of the St. Luke's Hospital Women's Auxiliary. She was the guest speaker at one meeting and has given encouragement and assistance to the club in many ways.

Nursery School

The Nursery School at the New Bedford Vocational High School has been an accepted program for the junior class for over twenty-seven years. The school is in session four mornings per week from 8:30 - 11:00 a.m., with ten different children attending each day. An average of three girls from one junior division are present for each two days of the week; the second division come to the laboratory play school the remaining

time, participating in activities with the boys and girls, observing their behavior patterns and developmental traits, and writing anecdotal records of their observations. Three years ago the program was accepted by St. Luke's Hospital School of Nursing for their students in the junior year of training to participate and observe the children for a total of eighteen hours credit.

Class History

The glorious days of our four years at Vocational High School have drawn to a close. The stage was set, the actors were in their places, and the curtain went up for the first act.

At our first assembly we were cordially welcomed by Mr. Mackintosh, Mrs. Howland, and by the faculty who promptly made us feel at home. This was our first glimpse of our coming four years at Voke.

The Juniors gave us a welcoming dance at which Claudette Gautreau was chosen queen. As our first year ended, we became more mature high school students.

September—1957, we entered school with great spirit and anticipation for another excellent year. This was to be a year of glory for our basketball team, "The Cinderella Kids of the Tech Tourney." The year ended and we were finally upper-classmen.

Entering our Junior year we were saddened by the retirement of our beloved director, Mr. Mack. Our hearts were appeased as a familiar and friendly man, Mr. Z. Walter Janiak, took his place. We sponsored a welcoming dance for the Freshmen and Judith Rice was chosen queen.

Our Junior outing was held at Cathedral Camp, where plenty of food, drinks, and sun made it a day we'll never forget.

Then came April — those 'Moments To Remember' — our Junior Prom. Norman Rivard and Jane-Ann Tripp reigned as King and Queen, with Audrey Aspin and Edith Hedges as ladies-in-waiting.

We became known as one of the most active Junior classes in the history of Vocational High, led by our class officers — Martin Gomes, President; Joan Martin, Vice-President; Joan Henderson, Secretary and Yuen Soo Hoo, Treasurer.

As we watched the Seniors graduate, we, the Class of 1960, entered our final year.

Class officers were elected and consisted of Ronald Dumas, President; Louise Allain, Vice-president; Irene Lawrence, Secretary; and Ronald Maurice, Treasurer.

The first in our series of social events was our Senior Harvest Dance, held on Thanksgiving Eve. Later, in February, Roland Barrett and Louise Elaine were chosen king and queen of our Sweetheart's Ball.

Our basketball players gave us our fourth ticket to the Tech Tourney after winning honors in the Bristol County Basketball League.

The curtain descends on our final act. We look back over these last four years knowing that these years, filled with pleasant memories, have been the best years of our lives.

We are confident that the understanding and guidance given to us by our instructors will lead us safely through the winding path of the future.
